## The Ultimate Blue Water Cruiser

Designed by the renowned Christophe Barreau, the Catana 471 is a world-class blue water catamaran built for sailors who demand the perfect balance of speed, comfort, and safety. Constructed with a lightweight yet robust composite build and exceptional sailing performance, this 47-foot vessel is ready for anything – from long ocean passages to leisurely cruising.

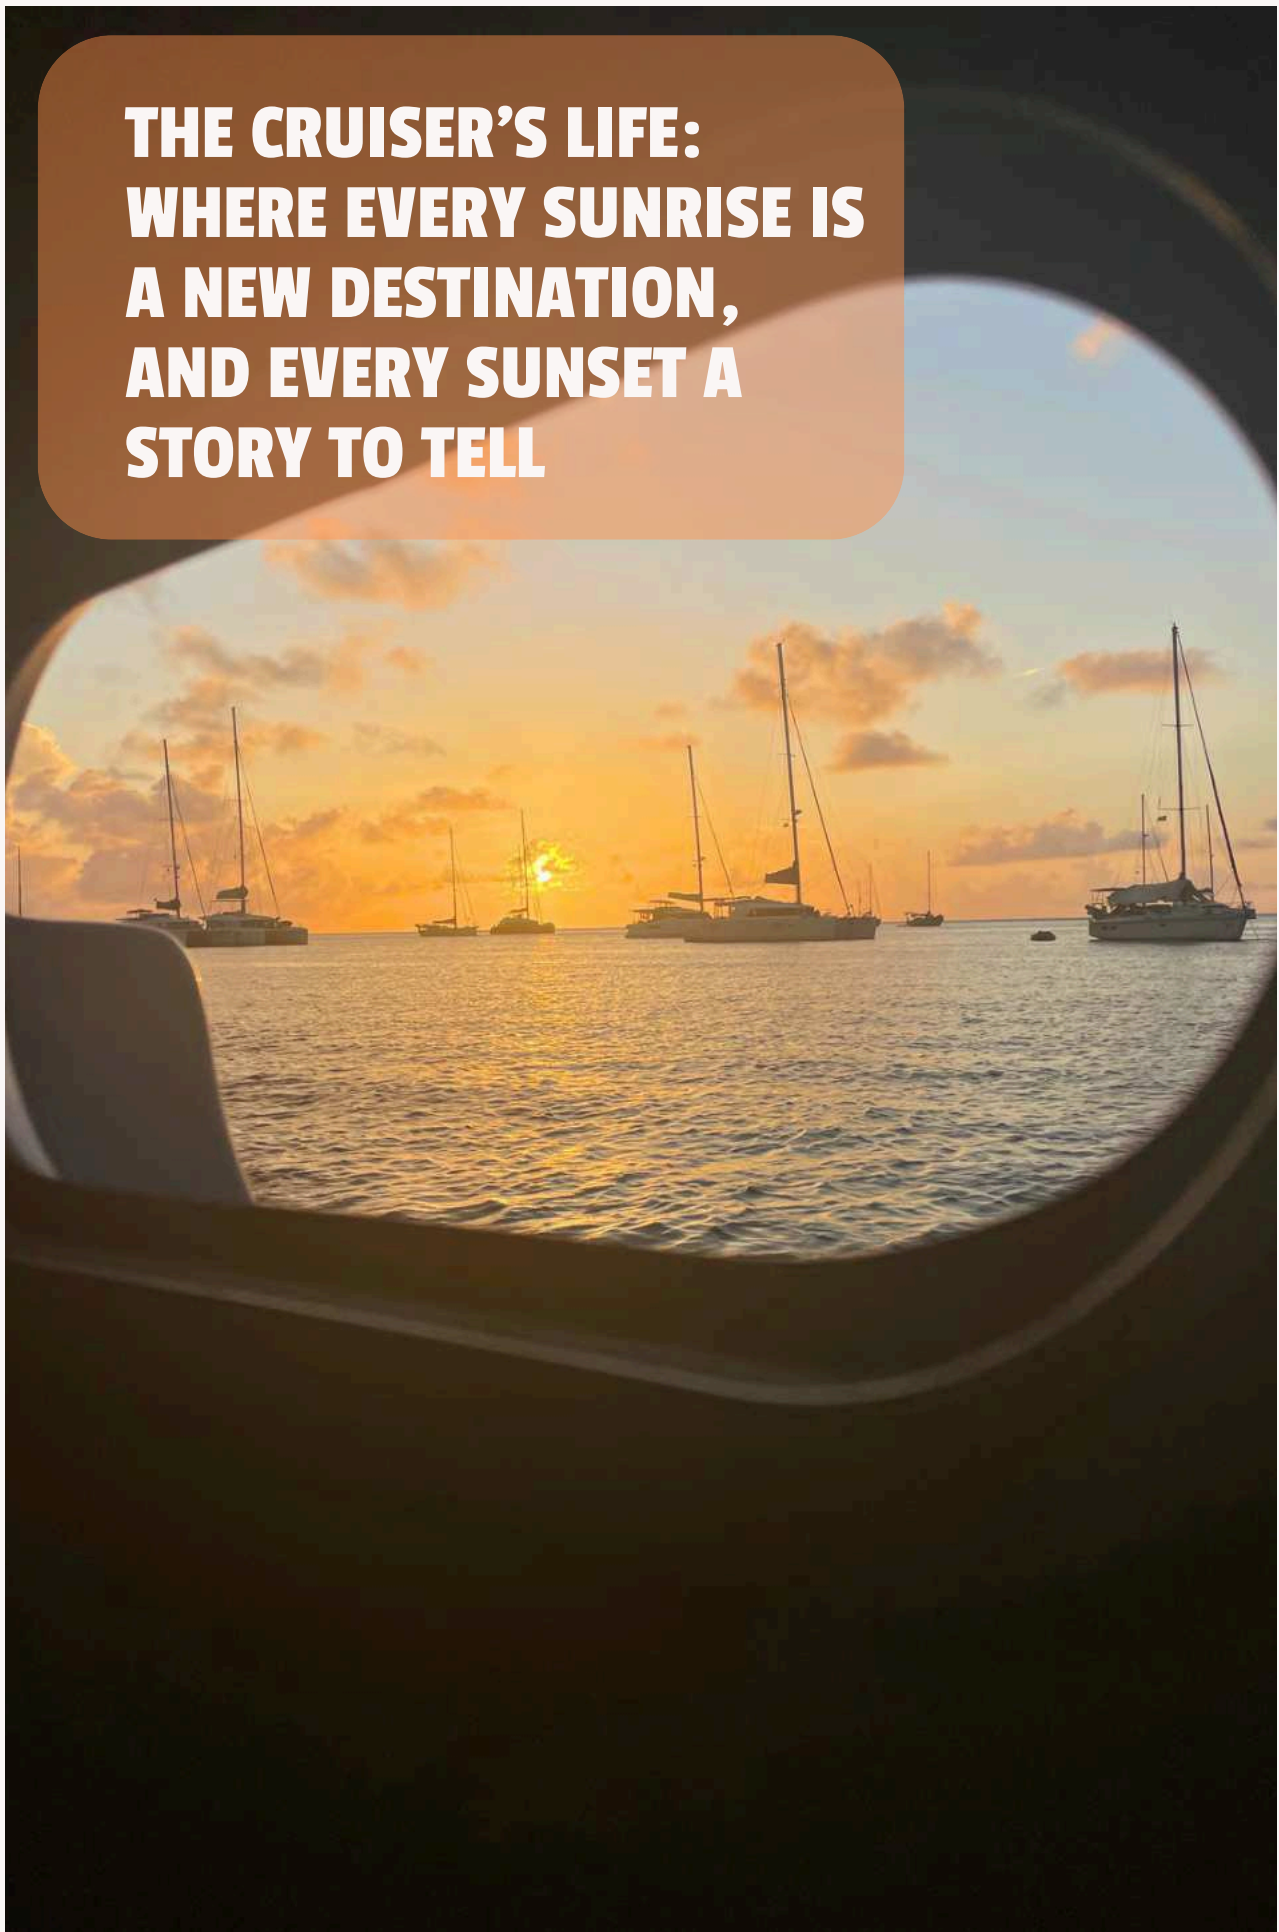

After many wonderful adventures at sea, we're ready to let someone else enjoy this beautiful yacht.

Indigo has taken us to some of the most stunning places and has truly been our home on the water. Now that life ashore is calling, it's time for someone new to continue her journey.

**Are you ready for your blue water adventure? Step aboard and set sail on this fully equipped, turnkey catamaran, perfectly outfitted for the cruising lifestyle.**
